Celebrate the Milestone

The end of your first semester is in sight!
There is a lot happening at this point in the term. As we buckle down for the whirlwind ahead, don't forget to lean on the support you have around you and begin to create a vision for the future.

The Shift

At this point many transfer students are getting ready for final exams while also planning for next semester. It is a lot to manage all at once. Remember to connect to your resources to develop your plan for the future as you finish this semester strong.

Spring Registration Has Begun

Make an appointment with your Academic Advisor to discuss Spring registration and beyond. Use your APAS, Schedule Builder and Graduation Planner to create different options for future semesters.

Don't forget to bring your questions about getting involved in groups, research and learning abroad to make the most of your appointment.
November is Career Development Month

If you have not visited your Career Center this year, now is a great time to visit! Find your college's career center, career events and job fair information, and additional career-related resources here.

Winter is Coming!

Gophers are resilient, they're resourceful—and use tunnels to stay warm. Learn the 'Gopher Way' to get between classes without needing to bundle up.

Choosing or Changing Your Major?

Spring registration is underway, so now is the time to start thinking ahead. If you are exploring majors (or thinking of changing your major), check out the Getting Started guide from the Center for Academic Planning & Exploration (CAPE) for some tips. Appointments are also available—stop by 511 Bruininks Hall or call 612-624-3076.

Cramming with Company

End of the semester studying can be better when done together rather than alone. Study using a SMART strategy with peer tutors, test bank materials or form your own study group.

Goldy's Reminders

Wait! When is my Final Exam?

As you set a plan for your last weeks of the semester check the schedule for Final Exams.

Note: there are no regular classes during finals week and you may meet in a different room or at a different time than normal. Don't forget to check the hours for U Libraries as you prepare. You can 'get your study on' at some locations that have open study space 24 hours a day during finals.

Parking for Spring 2016

Does your commute to campus change for spring or or are you just looking for a different place to park? Don't forget the deadline to enter the lottery for
student parking contracts is November 29.

Stay Safe

It’s getting darker earlier and and many students stay on campus later to study. Follow some helpful tips to stay safe from SAFE U. Visit the website and be sure to sign up for TXT-U alerts.
